There is certain conduct which is strictly prohibited when using the Apps, Site and/or Interface. Please read the following restrictions carefully. Failure to comply with any of the provisions set forth herein may result (at StarkWare's sole discretion) in the termination of your use of the Services or any portion thereof, and may also expose you to civil and/or criminal liability.

StarkWare does not have any ability to control or modify how you transact with the Apps, nor does StarkWare have any ability to redirect or otherwise control any assets on the Apps. By using the Apps, you acknowledge and recognize that we make no representations and warranties with respect to the Apps and that your use of the Apps is at your own risk and will be subject to the rules encoded within the respective Apps, none of which StarkWare can influence or control.

The Apps referenced herein are considered Third-Party Services and Materials, and are subject to the provisions outlined in the "Third Party Services and Materials" section. Users acknowledge that these Apps are separate from the Interface and are not under the direct control of StarkWare. Accordingly, all risks, interactions, and terms associated with such Apps shall be governed by the respective terms and conditions of those Third-Party Services and Materials.

Risk Disclosures Relating to Blockchain. By utilizing any of the Apps, you represent that you understand the inherent risks associated with cryptocurrency systems; and warrant that you have an understanding of the usage and intricacies of cryptographic tokens, digital assets, blockchains and other distributed and decentralized systems, blockchain-based wallets and smart contracts. In particular, you are aware and recognize that any transactions conducted on a blockchain cannot be undone or reversed. We are not responsible for any losses due to your errors or errors of any blockchain network, including any incorrectly constructed transaction. There is no guarantee that blockchain technology will be available, and such technology may be subject to errors, hacking or other security risks. In certain cases, your transactions may not be successful due to, but not limited to, an error with the App, blockchain or your wallet. We accept no responsibility or liability to you for any such failed transactions. Cryptographic tokens and use of cryptocurrency systems is volatile and carries a risk of loss, including the risk of total loss of value.

StarkWare does not assume any responsibility or liability for the accuracy or inaccuracy of any such information. Before acting upon or making any decisions on the basis of such information, you agree that you are responsible to independently verify such information. We cannot control how third party exchange platforms quote or value cryptocurrencies.

We are not responsible for any loss: The Site and Interface: (a) may contain bugs, errors and defects, (b) may function improperly or be subject to periods of downtime and unavailability, (c) may result in total or partial loss or corruption of cryptocurrencies with respect to which they are used and/or data, (d) may be modified at any time, including through the release of subsequent versions, all with or without notice to you, or (e) may have security vulnerabilities and be subject to hacking. StarkWare will not be liable or responsible for any losses or damages to you, including without limitation any loss of funds from your transactions using the Apps.

No Investment or Professional Advice. The Site and its Interface are provided solely for general informational purposes. They should not be considered legal, tax, accounting, financial, or investment advice. StarkWare is not a licensed securities dealer, broker, investment adviser, or financial services provider. Nothing available through the Site and its Interface constitutes a recommendation to buy, sell, or use any product, service, or financial instrument, nor does it represent the views of StarkWare, its management, employees, or partners.

You are solely responsible for evaluating whether any action, connection, or use of the Apps through the Site and its Interface is appropriate for your circumstances, including your personal, financial, technical, or business situation. Before making any decisions, you should carefully assess the risks and consult with qualified professionals where necessary.

SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF CERTAIN WARRANTIES OR THE LIMITATION OR EXCLUSION OF LIABILITY FOR DIRECT, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES. ACCORDINGLY, IN SUCH JURISDICTIONS THE FOREGOING WILL BE REINTERPRETED SO AS TO BE EFFECTIVE TO THE GREATEST EXTENT POSSIBLE UNDER APPLICABLE LAW.
